Supports Intensity Scale Training

Introductory SIS Training

The Supports Intensity Scale® (SIS®) is part of a core mission of AAIDD to promote progressive policies, sound research, effective practices, and universal human rights for people with intellectual and developmental disabilities. It is a standardized assessment tool designed to measure the pattern and intensity of supports a person with intellectual disabilities requires to be successful in community settings.

**Bismarck
Comfort Inn**
1030 E Interstate Ave
Bismarck, ND 58503
701.223.1911

Doublewood Inn
3333 13th Ave S
Fargo, ND 58103
(800) 433-3235

A block of rooms have been reserved until two weeks prior to each session, through NDACP.

Each session

8:30 - 4:00
Lunch on your Own

Ravita and Johnathan and will introduce the SIS to the audience from a variety of angles. They will cover topics such as how SIS was developed; what SIS measures; how the SIS is used; and what formats SIS is available in; and implementation considerations such as training and IT requirements, etc.

In particular, the AAIDD representatives will focus on the unique aspects of SIS that distinguish it as a positive tool for people with disabilities, its implications in the planning process, as well as tips and lessons from other states.

Cost: \$150.00

Target Audience

DD Provider Management,
Social Workers, Program Coordinators,
QMRPs, Program Managers
